The new bizhub i-Series

Giving Shape to Ideas

PRINT TECHNOLOGY THAT JUST WORKS SO YOU CAN GET ON WITH WORK

With technological, social, environmental and generational shifts impacting on work priorities, the workplace of today is evolving. And so too is the Konica Minolta bizhub i-Series of multifunctional printers (MFPs). The enhanced bizhub i-Series offers a range of new features and combines ease of use with powerful security for a print solution without compromise. Empowering employees to achieve their objectives and helping them thrive.

All-round simplicity

The bizhub i-Series devices come with an intelligent automatic media sensor, a clear, customisable user interface, the ability to group apps, and rapid troubleshooting with remote support. Your business will benefit from improved output quality, reliable paper feeding, and increased device availability – helping everyone get more done every day.

Powerful security

From advanced virus protection with clear notifications and status reporting, to proactive security management that detects (and can even predict) threats, you'll have peace of mind as standard, knowing your information and your business are safe and secure.

READY FOR THE BEST OF BOTH WORLDS?

Security AND simplicity. They're built into the new Konica Minolta bizhub i-Series to give you the best of both worlds.

Simple + a lot more

- **User-friendly experience** – enjoy using an updated, intuitive and logical user interface that offers flexible customisation options
- **Your apps at your fingertips** – organise apps on the bizhub i-Series user interface for rapid access to the functions you use the most
- **Cloud ready** – take advantage of seamless integration with popular cloud applications directly from the user panel
- **Productivity boost** – the enhanced intelligent media sensor automatically detects the paper type to maintain an increased productivity
- **Higher availability, lower costs** – remote and predictive maintenance help maximise device availability and reduce the possibility of issues arising, saving costs and maximising uptime

Secure + a lot more

- **Proven protection** – against viruses, malware, cyber-attacks and unauthorised access with tried-and-tested security built in
- **Prevent problems before they happen** – once a device is secured, it stays secure; use Shield Guard to keep your bizhub fleet aligned with your defined security policy
- **Visibly secure** – advanced virus protection, with clear notifications and status reporting that let you decide how to process jobs
- **Compliant** – no concern for data privacy standards – can easily be set up to be fully compliant with European legislation (GDPR)

BOOST YOUR OFFICE DEVICES

Did you know you can enhance your office devices with powerful cloud services, without worrying about compromising the security of document handling?

Konica Minolta Marketplace, our pre-installed app and service store, has everything you need. It lets you find and download apps, add-ins and connectors – including third-party authentication apps and connectors to cloud repositories – straight from any bizhub office device. So you can enhance the device with additional features that streamline everyday work, and create customised user interfaces to meet individual needs.

Powerful cloud connectivity

Simply connect your office printer to popular cloud services like SharePoint Online, OneDrive, Google Drive or MS Teams for basic file/folder operations, scanning to cloud repositories and selecting files for printing – directly from the printer panel.

Visible security

You want to be sure your office printer handles files securely and is protected against potential security threats. You can stay safe and monitor security settings visible on the panel of your printer.

Personalised user experience

Tired of not finding the printer functions you want? With Marketplace, you can create a personalised user interface with the design and features that fit your workflows and put the features you need the most on the control panel. The user interface can also be adapted to reflect your company's branding by, for example, adding a background image containing your company's logo and graphics.

Discover how Konica Minolta MarketPlace can help you enrich your daily business activities with powerful apps and services – directly from your bizhub device:
